

Remarks

Status of the Claims

Claims 90 and 91 have been allowed. Objections as to matters of form were posed against claims 29, 32, 39, 41, 53, 72, 73 and 75, each of which are independent claims and which have been responsively amended. Claims 29, 32, 39, 41, 53, 72, 73 and 75 are now set forth in allowable condition. The applicant submits that the independent claims are focused appropriately on the defining invention and are so broad to include the cited art. The remaining claims depend directly or indirectly on the independent claims. Claims 4 - 6, 8 - 12, 29 - 32, 37 - 41, 53, 55, 56, 58 - 60, 70 - 73, 75, 90 and 91 are present in the application and submitted for allowance.

Advancement of the claims as amended to allowance is respectfully requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Daniel L. Dawes', is written over the typed name and contact information.
